

POLICIES

CANCELATIONS:

All private yoga, Dynamic Movement Education and Massage Therapy appointments require 24 hour notice of cancellation, except in the case of emergencies or unexpected illnesses.

Appointments given less than 24 hours cancellation notice will be billed at the full session fee.

If your teacher or therapist must cancel, she will do so with 24 hour advance notice. If she must cancel in less than 24 hours, because of emergency, you will be offered \$10 off your next treatment.

LATENESS:

Your therapist/teacher will inform you of the length of your session. If you arrive late, the therapist will give you a complete session if they are able. If not, the session will end at the time originally scheduled.

Your therapist will make every effort to begin your session on time. If she begins it late, she will offer you the option of a complete session that day, or a longer session, making up for missed time, for your next appointment.

CONFIDENTIALITY:

Everything discussed or shared with your therapist before, during or after your session is kept in strict confidence. The only exception to this is in the case that your therapist is made aware of something that could cause serious harm to you or another person. In this case, the therapist will contact a party trained to work in such situations.

I have read and understand Motion Center's policies.
